

GREEK'S PIZZERIA®

EST. 1969

It's Our Taste®

We've been making our pizza with the same recipes since 1969. We are dedicated to quality menu items that customers can taste. We use the most expensive real milk cheeses available. Our dough is made from scratch every single morning at 9am. Our pizza is cooked in 600-700 degree stone deck ovens. Simply put- Our hand tossed dough, sweet Italian red sauce, select blended cheeses, with gourmet toppings, using the same method of preparation consistently, makes our pizzas more flavorful and original than others. Thanks for joining us!

@greekfishers
